**Ways to Give to the Earth and Planetary Sciences Department at UCSC**

As the Earth and Planetary Sciences Department has grown in stature and numbers, we have benefitted from contributions made by our network of alumni, families, and friends. These contributions support a wide variety of teaching, research, and service activities, and are particularly important in providing academic and professional development opportunities for EPS students. Please contribute to any of the funds/endowments listed on the following page, or make a donation to the "Earth Sciences Achievement Fund" so that your gift can be put to use where it is needed most.
