

Department of Earth & Planetary Sciences, UC Santa Cruz  
**SENIOR COMPREHENSIVE APPROVAL FORM**

NAME: \_\_\_\_\_ EMAIL: \_\_\_\_\_

Expected Graduation (Quarter/Year): \_\_\_\_\_

I PLAN TO FULFILL MY SENIOR COMPREHENSIVE REQUIREMENT BY COMPLETING:

EART 188AB, Summer Field Program

Students planning to participate in the summer field program should attend the Fall Quarter informational meeting to learn more about applying to the program. Students are notified if they are accepted to the program in early Winter Quarter in advance of Spring Quarter enrollment.

EART 191, Climate Change & Policy

Note: Offered in Winter Quarters, enrollment in this course is restricted to senior Earth Sciences majors.

EART 194F, Education Capstone

Earth Science majors with the science education concentration MUST complete this course to satisfy their senior comprehensive requirement. For more information, visit Cal Teach at <http://calteach.ucsc.edu/>

EART 195, Senior Thesis

To enroll, students must also complete an individual studies form.

Faculty Sponsor: \_\_\_\_\_ Quarter enrolling in EART 195: \_\_\_\_\_

Working Title: \_\_\_\_\_

EART 198, Earth Sciences Internship

Students interested in participating in an internship should talk to the Earth Sciences Internship Program Director, Eli Silver and complete an individual studies form to enroll.

EART Graduate Course (numbered 200 and above)

To satisfy the senior comprehensive, students must earn a B or better in a graduate course – be sure to elect the letter grade option when enrolling. Graduate courses used to satisfy the senior comprehensive cannot be used to satisfy any other major requirement.
